Harvesting began : August 31st – October 6th.

Current vintage notes

Winegrowers are cautious by nature. However, this year, we are throwing this legendary caution to the wind to announce the birth of a beautiful and very great vintage. The newborn is so magnificent and full of promise that it is difficult to contain our enthusiasm. We will not beat about the bush: 2009 is extraordinary, undoubtedly worthy of a place of honor in the Hall of Fame along with the legendary 1929, 1947, 1949, 1959, 1961, 1982, 1989, 1990, 2000, and 2005 vintages.
