

CHATEAU LA MISSION HAUT-BRION

Château La Mission Haut-Brion 1924

Château La Mission Haut-Brion's tasting notes :

Quite a surprising wine for its age and for the year. The wine has aged beautifully and is still well structured, recalling woodland undergrowth/mushrooms. The wine is velvety.

To taste now.

Current vintage notes

A good year but somewhat overrated. In general the wines are sound, rather full-bodied, smooth, elegant and with charm.
