

CHATEAU LA MISSION HAUT-BRION

Château La Mission Haut-Brion 1933

Château La Mission Haut-Brion's tasting notes :

After 50 years, it is remarkable to find a few wines with such good structure, showing interesting aromas. The nose is big with hints of truffles. The wine is round and finishes long on the palate. A surprising bottle.

To taste now.

Current vintage notes

A hot but rainy year. Few good wines were produced, and this year leaves us with few memories.
