

CHATEAU LA MISSION HAUT-BRION

Château La Mission Haut-Brion 1940

Château La Mission Haut-Brion's tasting notes :

An old wine that still shows fragrance and its distinctive breed. The colour has faded but the wine is typical of Cabernet Sauvignon, with ivy and "bottle cap" smells characteristic of wines made from Cabernet Sauvignon grapes. A good example of an average year with light but elegant wines that have aged well. To taste now.

Weather conditions

Sum of temperatures : 3094 °C

Rain : 339 mm

Harvest : from 26/09/1940 to 05/10/1940

Current vintage notes

A basically normal year, with higher than average rainfall. The whole is rather comparable to 1926, which, too, made some very good bottles.
