## Château La Mission Haut-Brion 1958

Château La Mission Haut-Brion's tasting notes :

<!-- @page { margin: 2cm } P { margin-bottom: 0.21cm } -->

An attractive bottle today. The wine remains a young wine. Deep colour, complex wine. Ripe and smooth tannin. A marvelous, very La Mission wine.

To taste now.

Weather conditions

Sum of temperatures : 3142 °C

Rain : 497 mm

Days where temperature above 30 °C : 18

Harvest : from 06/10/1958 to 18/10/1958

Current vintage notes

A tragic August (126 mm, of rain, which is twice normal). But September weather was very good. Just at the start of the harvest, six days of great heat enabled the grapes to be gathered in the best condition. Several very agreeable wines, but beginning to fade.
