

CHATEAU LA MISSION HAUT-BRION

Château La Mission Haut-Brion 1959

Château La Mission Haut-Brion's tasting notes :

A wine very much like those of this vintage, very big, matured colour. The heat during the summer made harmonious, sweet wines leaving plenty of multiple flavours on the palate. At the very end of the tasting, it starts showing its age. This wine has reached its zenith.

To taste now.

Weather conditions

Sum of temperatures : 3310 °C

Rain : 331 mm

Days where temperature above 30 °C : 21

Harvest : from 24/09/1959 to 03/10/1959

Current vintage notes

"The vintage of the century" foretold and baptized before the harvest. After a few hesitations, the wines have proved magnificent just about everywhere. Very hot during the harvest. Very concentrated wines.
