## Château La Mission Haut-Brion 1965

Château La Mission Haut-Brion's tasting notes :

<!-- @page { margin: 2cm } P { margin-bottom: 0.21cm } -->

A light wine. The colour is still bright and the wine elegant but at the end of the tasting, the mouth remains dry with a short after-taste as with unripened grapes.

To taste now.

Weather conditions

Sum of temperatures : 300 °C

Rain : 461 mm

Days where temperature above 30 °C : 15

Harvest : from 01/10/1965 to 10/10/1965

Current vintage notes

The months of July and August were essentially normal, though hot, with average rainfall (42 mm. in August for which the average is 50 mm.). The month of September (with 212 mm. of rain) made the year a disaster. The result: a lightning-fast lowering of the quality of the grapes. On the whole the wines are questionable.
