

CHATEAU LA MISSION HAUT-BRION

Château La Mission Haut-Brion 1967

Château La Mission Haut-Brion's tasting notes :

It has handsome color though light and a very clear nose. The woodiness is still there but not in excess. The attack is soft and delicate. This wine lacks a bit of volume but has a dimension with a great deal of complexity. In the finale the wine opens up to some extent evolving slowly with notes of dried flowers. The softness of the wine absorbs and melds in a lovely harmony.

To taste now.
