

Domaine Clarence Dillon

2011 Vintage

The Climate

One of the characteristics of 2011 was an extremely dry spring. Based on the measured rainfall in April, May and June this was the driest spring since 1949. Happily, summer brought some rain which allowed the vine to continue its growth. With a dry September, we were able to harvest in optimal conditions.

Some Technical Information

Tasting note

Beautiful straw-yellow colour. Very attractive, intense nose with hints of quince and pear. Starts out very flavoursome, and then becomes somewhat tighter with a salty, mineral taste. La Clarté is already enjoyable and balanced.
